VETERAN PLAYERS

Please note for statistical comparisons: In 1982, only nine of 16 games were played due to the cancellation of games because of a player's strike. In 1987, only 15 of 16 games were played due to the cancellation of games in the third week because of a player's strike. Most NFL players also missed games scheduled in the fourth, fifth and sixth weeks.

Sacks became an official NFL statistic in 1982.

Two-point conversions became an official NFL statistic in 1994.
